## **Expectations**

Role: The student assistant plays an important role in relating to the students and setting an example in responsibility, attitude, and respect. Examples of this are developing camaraderie/mentorship with students, shepherding/setting an example, and helping them with songs. The assistants may sing some or all songs with the student choir at concerts.

Games: The student assistants should come prepared to lead non-contact games that the assistants will lead either before rehearsals begin or during a short break or both.

Covid-19 Protocol: The student assistant needs to be aware of safety procedures for Covid-19 and make sure students are keeping their masks on indoors unless eating/singing, maintaining social distancing, and staying sanitized.

The Chorus will document student assistant hours and can write letters of recommendation.

Becca Scroggins will be primary contact for Student Volunteers. Text 801-875-9841 or email [rebecca.scroggins@yahoo.com](mailto:rebecca.scroggins@yahoo.com) to get into contact with her.
